Introduction to policy

Burgh Wood Montessori Nursery School (*hereafter the "Nursery School"*) aims to provide the highest quality education and care for all our children. We aim to offer a warm welcome to each individual child and their family and to provide a safe and caring environment within which all children can learn, develop and play.

We believe children and Parents/Carers are entitled to expect courtesy and prompt, careful attention to their needs and wishes and our intention is to work in partnership with Parents/Carers. We welcome praise, feedback and constructive suggestions on how to improve our Nursery School environment at any time.

We do recognise, however, that things can go wrong but that many concerns can be resolved quickly by an informal approach to the Principal at Burgh Wood Montessori Nursery School. If this does not achieve the desired result, the following procedure should be used when a complaint is made.

Summary of procedures

Stage 1

Any Parents/Carers who are uneasy about any aspect of the care their child receives whilst at the Nursery Schools should first discuss their concerns with the Principal.

Stage 2

If initial discussions do not have a satisfactory outcome, or if the issues recur, the Parents/Carers should put their concerns or complaint in writing to the Principal. Only at this stage do we consider that a formal complaint has been made.

Stage 3

The Principal will review the complaint and will arrange a formal meeting to discuss the concerns further. Both the Parents/Carers and the Principal should have a friend, partner or colleague present if required. An agreed, written record of the discussions and actions will be made. This record will be kept for a period of three years. A summary of the complaint will be made available on request to any Parents/Carers of a child attending our Nursery School and Ofsted. This signed record signifies that the procedure has concluded.

Stage 4

If at the Stage 3 meeting the Parents/Carers and the Nursery Schools cannot reach an agreement, an external mediator from the Surrey Early Years Team is invited to help settle the complaint. This person should be acceptable to both parties, listen to both sides and offer advice. A mediator has no legal powers but can help to define the problem, review the actions so far and suggest further ways in which it might be resolved. The mediator keeps all discussions confidential. S/he can hold separate meetings with the Principal and the Parents/Carers, if this is decided to be helpful. The mediator keeps an agreed written record of any meetings that are held and of any advice s/he gives. Most complaints should be resolved at this stage.

This concludes our formal complaints procedure, however, if a concern cannot be resolved after following our complaints procedure, complaints should be made in writing (including email at enquiries@ofsted.gov.uk) to:
